Hi Rich

Looks like you aren't reading our emails!

How DARE you, we thought you cared, you cold-hearted flake!

- ! Don't do this!
- ! You could be wrong
- ! Likely to just annoy supporters
- ! Exposes the creepiness of tracking...

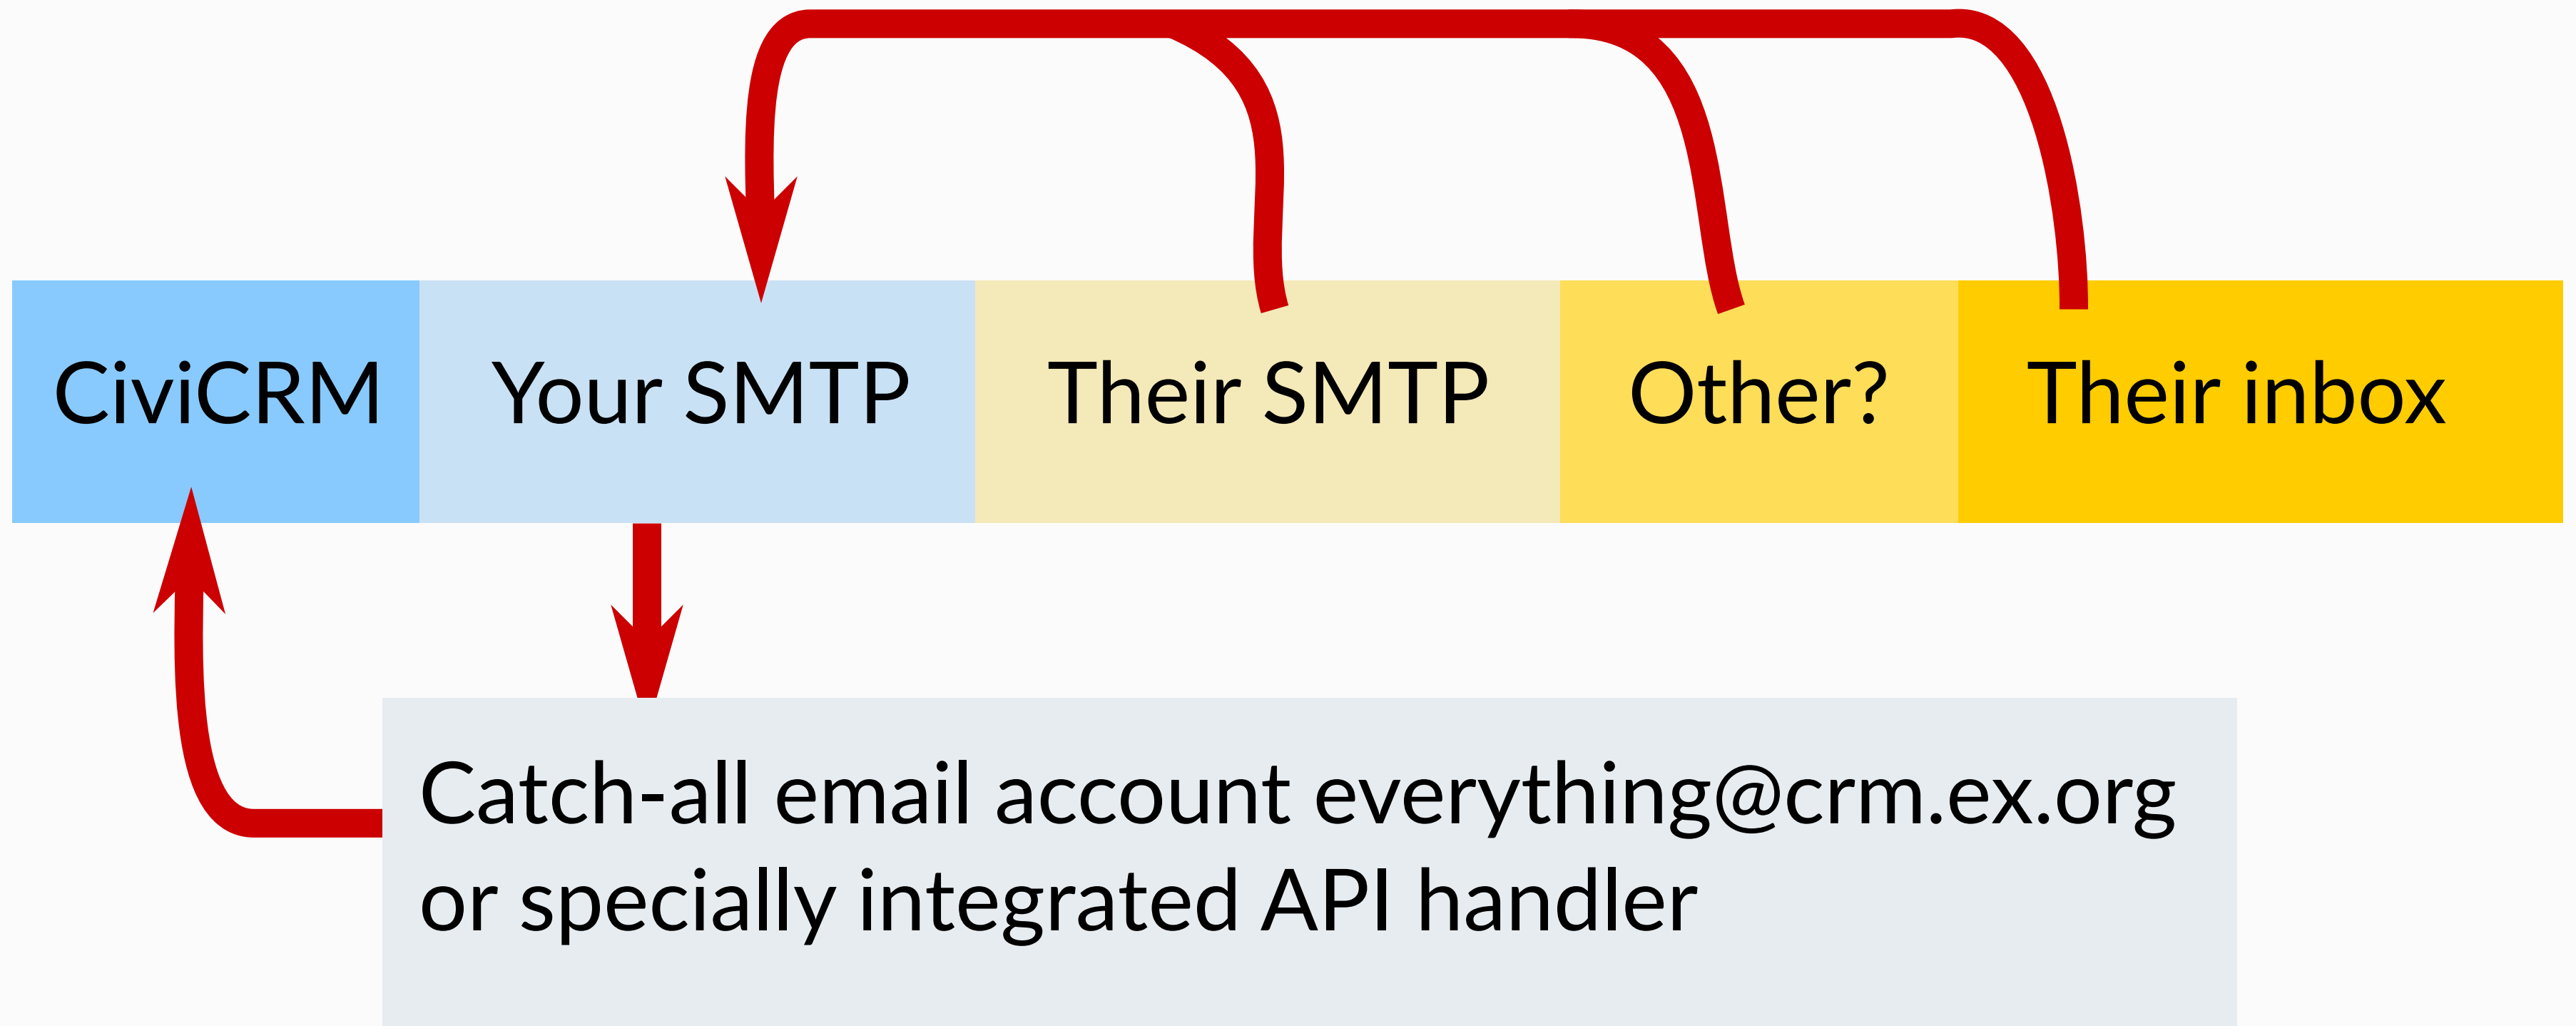

Mailing tracker extension

Key rates, numbers, inc. chart, filters, fast.

Tip: code-name your mailings

Bounces

Out of office

Temporary error

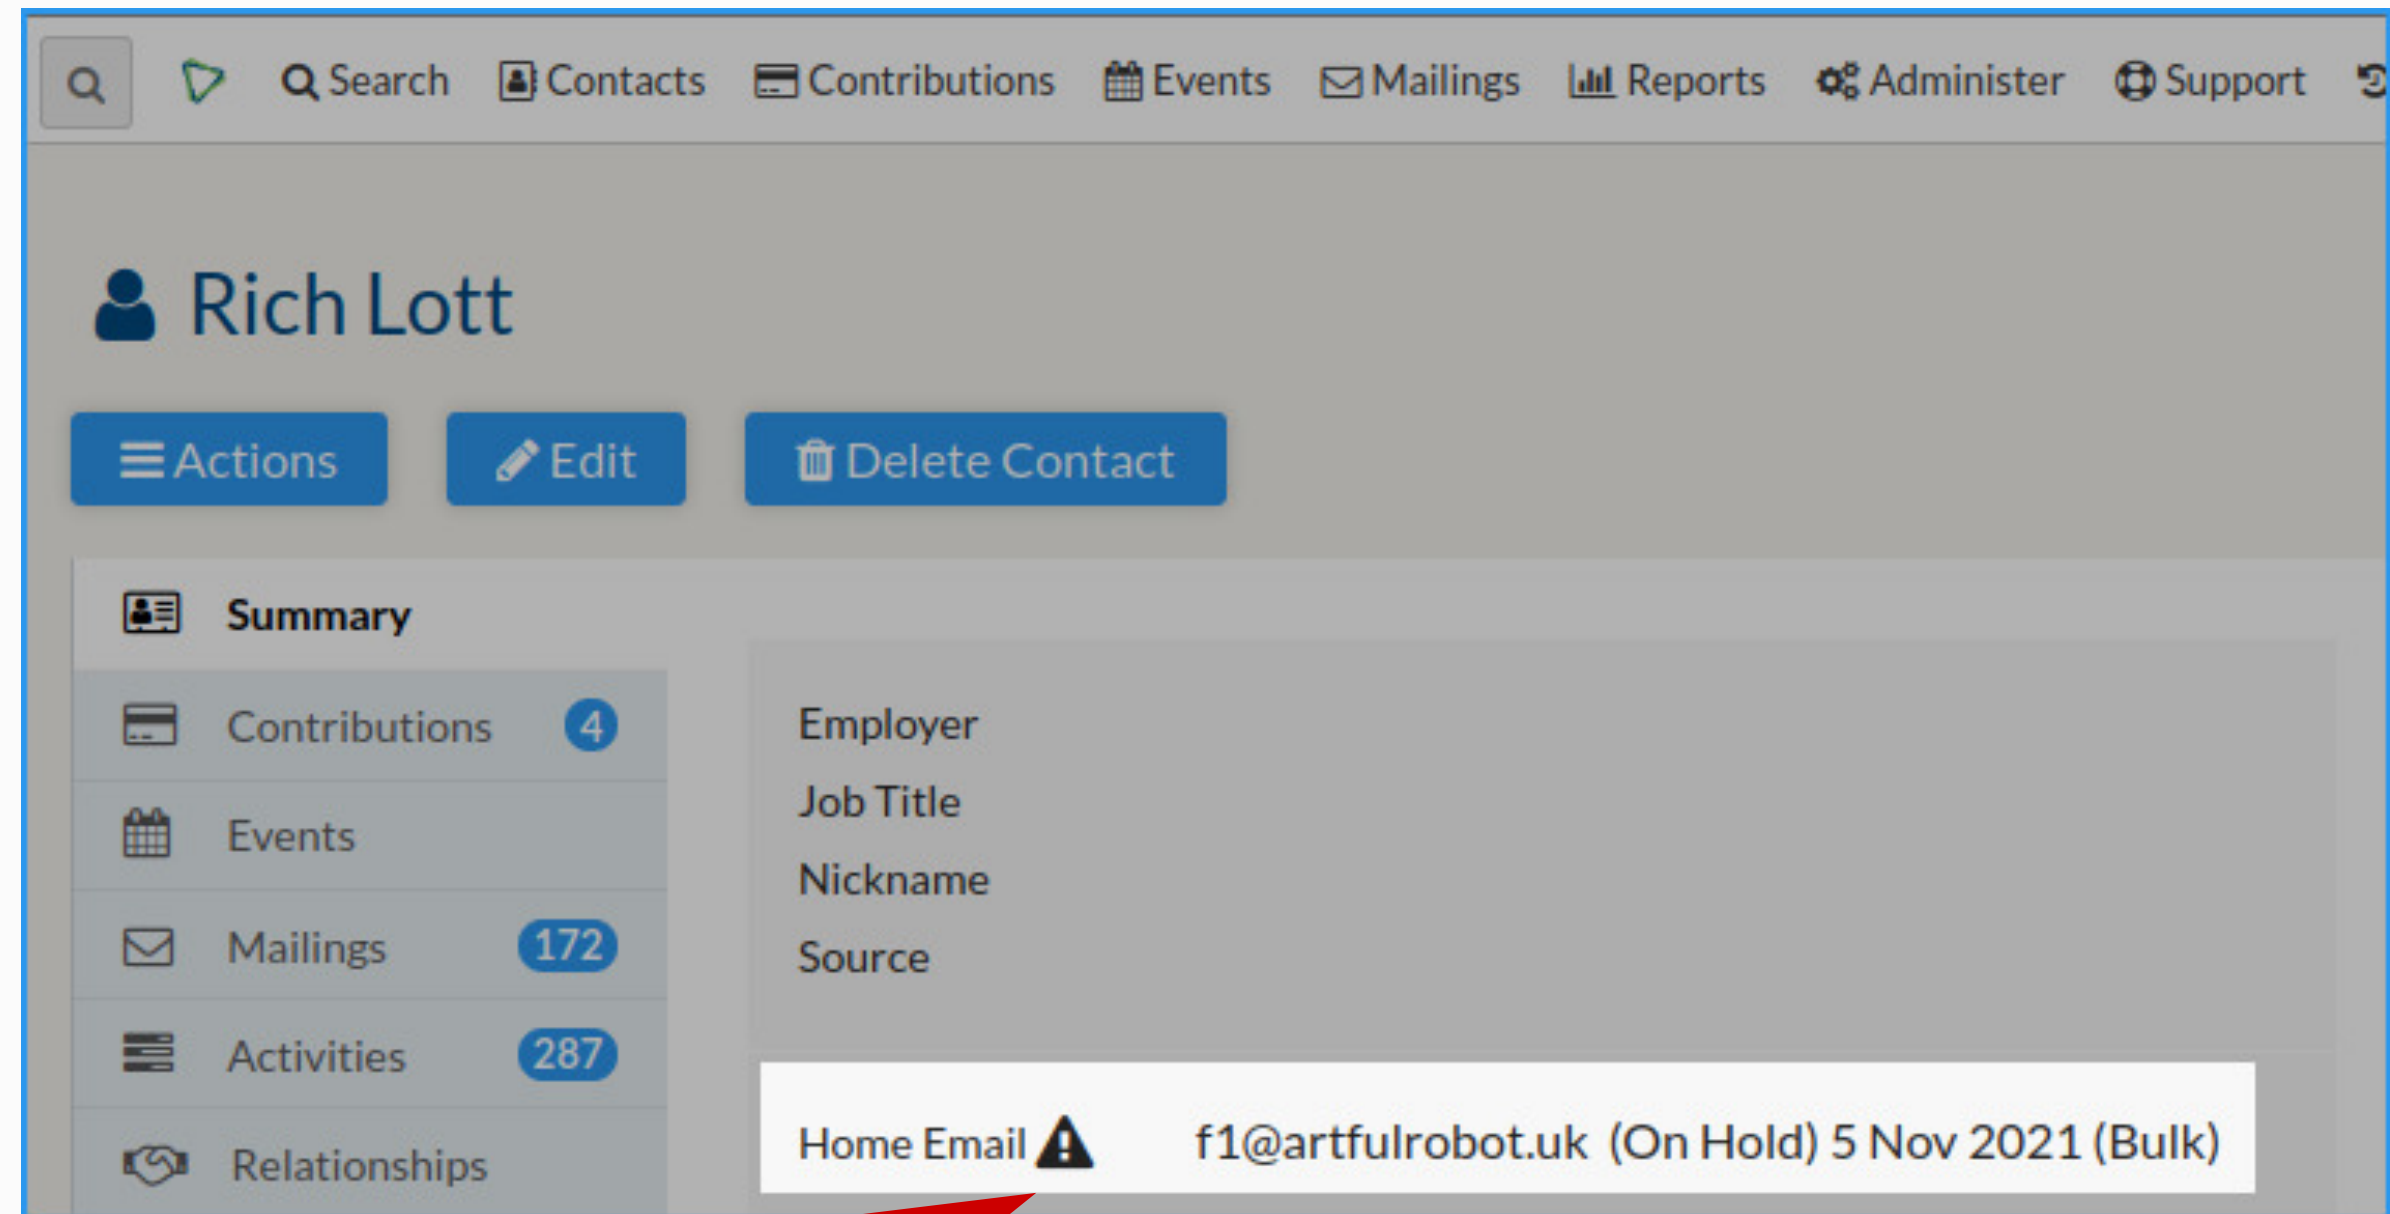

Mailbox does not exist

Address suppressed

Spam report!

No mail server

Mailbox full

On hold email stays on hold until you unhold it.

Bounces do not lead to removals (unsubscribes) from group(s)

Watch for surges in bounces. Case for un-holding en-masse.

Sender reputation.

Not all SMTP services are equal.

Extension: Refine Mailing

Segment a mailing

- for different audiences
- for IP warm-up

<https://lab.civCRM.org/extensions/refinemailing>

Extension: Resend Mailing

begin a previously sent mailing to new search results

Immediately send a previous mailing to a single contact.

ex. if they weren't on the list before and missed something important

ex. you could send to `xxxx@xxx.mail-tester.com`

<https://github.com/artfulrobot/resendmailing>
